The Rag Company is pleased to announce the arrival of THE PREMIUM PEARL Towel. THE PREMIUM PEARL is the highest quality towel for the removal and levelling of all types of ceramic coatings on the Australian market. It's unique, premium 70/30 blend, closed-loop pearl-weave construction has all the characteristics you need for safe, fast and effective work on coatings – lint-free, soft, removal “bite”, and affordability with solid quality. The use of ceramic coatings is one of the fastest growing areas of automotive detailing and finding a towel that works well with all the various coatings offered has been highly requested. Now you not only have the original THE PEARL but also the option of the new PREMIUM PEARL.
