- Safe to use on all electronic equipment and other sensitive surfaces

Edgeless 300
40cm x 40cm (16" x 16")

- Extremely durable – ability to withstand hundreds of washings with proper care
- Manufactured on the highest quality German microfibre production equipment (Karl Mayer)
- Professional cleaning tip #1: “Fold the towel into quarters to create eight different fresh, cleaning sections. As each section gets used / dirty, rotate to the next clean section to maximise your towel utilisation”
- **Tips** - The best way to care for your microfibre towels
