Absolutely one of the best detailing towel values available anywhere! In fact the Minx Royale is the best Waterless Car Wash microfibre (aka microfiber) towel available on the Australian market.

TRC's professional grade 400gsm Minx Royale microfibre all-purpose detailing towel is the answer to the numerous requests that The Rag Company has received to create a super soft, super absorbent value-priced, high-quality towel in a coral-fleece weave for customers that don't necessarily need our top-of-the-line, best-selling Eagle Edgeless Korean quality towels.

**Minx Royale**  
40cm x 40cm (16" x 16")

## Additional Product Details

---

- The perfect towel for your waterless car washing applications
- Excellent quality all-purpose detailing towel that removes excess polish, sealant, wax, etc with ease
- The perfect pile to use confidently with all types of detailing sprays, waxes, and polishes – your final buff never looked so good!
- Longer, soft and plush fibres on both sides that easily pull particles away from the surface being wiped
- Super absorbent
- Premium 70/30 blend, silky satin edge and no tags = paint safe
- Also great for marine / RV / cycle / airplane detailing, buffing and polishing
- Extremely durable – ability to withstand hundreds of washings with proper care
- Towel softness increases with each washing
- Manufactured on the highest quality German microfibre production equipment (Karl Mayer)

**Tips** - The best way to care for your microfibre towels
