

Koch-Chemie Pol Star Po – Textile, Leather & Alcantara Cleaner 5l. pH 7,0

92005

Effective neutral cleaner with protection formula for leather, Alcantara and textiles such as upholstery and carpets. The dirt is removed from deep in the fibres by fine-pored foam lamellas and can be wiped up with a wet/dry vacuum cleaner or a damp cloth. Does not leave any water marks and preserves the original waterproofing. The conservant protects the parts against becoming dirty again quickly.
